

A diagram showing a rectangular domain  $\Omega$ . The domain is represented by a large rectangle with a black border. The interior of the rectangle is white. In the center of the rectangle, the Greek letter  $\Omega$  is written. On the right side of the rectangle, a vertical red line segment is drawn, representing a boundary. To the right of this red line, the symbol  $\Gamma_o$  is written.

$$\Omega$$
$$\Gamma_o$$
